

Bluesun Solar Factory Labor Conditions Statement

Bluesun Solar Co., Ltd. is committed to ethical labor practices and compliance with international labor laws. Our factory is highly automated and operates under strict regulations.

We hereby declare:

1. **No Forced Labor:** Our production lines do not use forced labor, including any oppression of Uyghur people or any minority groups.
2. **No Child Labor:** We strictly prohibit child labor. All employees meet the legal working age.
3. **Fair Working Conditions:** Our workers operate in safe, healthy, and respectful environments, adhering to all labor laws regarding working hours, wages, and benefits.
4. **Compliance and Audits:** We conduct regular audits to ensure compliance with labor standards and welcome inspections from relevant authorities.

Bluesun Solar Co., Ltd. is dedicated to upholding human rights and promoting ethical practices throughout our operations.

Sincerely,

Bluesun Solar Co., Ltd.
